

List of contractors/consultants involved in insulation and energy efficiency works

EPC Assessors:

- Domestic - Helen Pirozek: helen@yorkepc.com or 01904 761823 or 07941 956332. www.yorkepc.com
- Commercial – Mike Pirozek: mike@yorkepc.com or 01904 761823 or 07577 258137. www.yorkepc.com

Both of the above are located in Wigginton, York.

Air Source Heat Pump/Ground Source Heat Pump and Solar PV Installers:

- Green Building Renewables: 01904 946609. www.greenbuildingrenewables.co.uk, Located at Dunnington, York.
- IWE Services: 01944 710641 or enquiries@iweservices.co.uk. www.iweservices.co.uk . Located at Staxton, Scarborough.

EV Charger Points:

- An external mounted 7kW EV charger point supplied by various makers through builder merchants such as Janico (01904 644074) and MKM (01904 696410 – York or 01653 696000 - Malton). At a cost usually £400 - £500. Any electrician will be able to connect that to the domestic meter and the distance from the distribution board will affect the length of cable and the amount of labour but typically £100 - £200 will cover both.

Solar Panels

IWE Services, Scarborough have installed panels at Sand Hutton and Claxton Village Hall as well as a domestic property in Hall Drive, Sand Hutton.

Building Insulation

Insulation Direct - <https://www.insulation-direct.co.uk/> have installed internal thermal board insulation in Sand Hutton and Claxton Village Hall.
